B. Background Information about UHC SCO's Network Providers

B1. Key Terms

Your Care Team may include doctors, nurses, counselors, or other health professionals who are there to help you get the care you need. Your care team will also help you make a Plan of Care.

This section explains key terms in our directory.

- Providers are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. Services include medical care, Long-term Services and Supports (LTSS), supplies, prescription drugs, equipment, and other services.
- The term providers includes facilities, such as hospitals, clinics, and other places that provide medical services and medical equipment. It also includes LTSS providers that you may use as a UHC SCO member.
- Providers that are part of our plan's network are called network providers.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a family practice, general practice, internal medicine, geriatrics, or obstetrics/gynecological provider who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **prior authorization** for a specialist or someone that is not your PCP. A **prior authorization** means that UHC SCO (not your network PCP) must give you approval **before** we will cover a specific service, item, or drug or an out-of-network provider. If you don't get a prior authorization, UHC SCO may not cover the service, item, or drug.
 - Prior authorizations are not needed for:
 - Emergency care;
 - Urgently needed care;
 - Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; or
 - See a women's health specialist.
 - Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a prior authorization. We must pay the Indian health provider for those services even if they are out of our plan's network.
- More information on prior authorization is available in Chapter 3 of the Evidence of Coverage.

If you have questions, please call UnitedHealthcare® Senior Care Options (HMO D-SNP) Plan at 1-888-867-5511, TTY 711, 8 a.m. - 8 p.m. local time, 7 days a week, local time. The call is free. For more information, visit www.UHCCommunityPlan.com.

- You will also be assigned a **Care Team**. Your **Care Team** may include doctors, nurses, counselors, or other health professionals who are there to help you get the care you need. Your care team will also help you make a Plan of Care. Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your Care Team may include:
 - A **Care Manager/Coordinator** that helps you manage your medical providers and services. It is important for you to learn about the UHC SCO plan. After you join, a Care Manager/Coordinator will call and talk to you about your health care needs. They will tell you more about the services you can receive with our plan. Depending on your health, your Care Manager/Coordinator may help you by phone or may visit you to take a detailed look at your health care needs. Our Care Managers/Coordinators can:
 - help arrange care with your PCP.
 - help coordinate your medical, behavioral health and long-term care services.
 - help solve problems you may have with your medical care or providers.
 - help find ways for you to live at home or in other community settings.
 - explain the service and placement options available to you.
 - Your **Primary Care Provider**
 - **Geriatric Support Services Coordinator (GSSC)** to help you find and access support services available to you in the community. The GSSC is based out of your local Aging Services Access Point (ASAP). The ASAPs are listed on pages following this introduction of this Directory. (Both the Care Manager/Coordinator and GSSC may work as a part of your Care Team to make sure you get the care you need.)
 - Nurse Practitioner for institutional members

Your Care Team will also help you find other providers of medical, behavioral health, or Long-term Services and Supports (LTSS) if you need to use a specialist or other health care provider. That way, you will see the right provider to help you with your concerns.

B2. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider. You can choose any PCP in our network who is accepting new members.

To choose a PCP, refer to the list of providers on the pages following this introduction and choose a provider:

- that you use now or
- who has been recommended by someone you trust, or
- whose offices are easy for you to get to.

If you do not choose a PCP in our network, UHC SCO will choose one for you.

If you want help in choosing a PCP, please call Customer Service at 1-888-867-5511, TTY 711, 8 a.m. - 8 p.m. local time, Monday - Friday. The call is free. Or, visit www.UHCCommunityPlan.com.

If you have questions, please call UnitedHealthcare® Senior Care Options (HMO D-SNP) Plan at 1-888-867-5511, TTY 711, 8 a.m. - 8 p.m. local time, 7 days a week, local time. The call is free. For more information, visit www.UHCCommunityPlan.com.

If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Customer Service and ask **before** you get the service or care.

B3. Long-term Services and Supports (LTSS) providers

As a UHC SCO member, you will be able to get Long-term Services and Supports (LTSS) if you need them, such as Adult Day Health, Adult Foster Care, Day Habilitation, Group Adult Foster Care, and Personal Care Attendant Program. LTSS providers help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need LTSS, your Care Coordinator or Geriatric Support Services Coordinator can help you and your Care Team determine what options are available to support you in the way you want.

B4. How to Access UHC SCO's network providers

You must get all of your covered services from providers within our network. If you use providers who are not in UHC SCO's network (**without prior authorization from us**), **you will have to pay the bill.**

Prior Authorization

A prior authorization is an approval from UHC SCO to seek services outside our network or to get services not routinely covered by our network before you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if UHC SCO gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. You may change your PCP for any reason at any time. If you want to change your PCP, call Customer Service. The change will become effective on the first day of the following month.
- UHC SCO works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need to see a provider and are not sure if they offer the accommodations you need, UHC SCO can help you. Talk to your care manager\coordinator for assistance.

If you have questions, please call UnitedHealthcare® Senior Care Options (HMO D-SNP) Plan at 1-888-867-5511, TTY 711, 8 a.m. - 8 p.m. local time, 7 days a week, local time. The call is free. For more information, visit www.UHCCommunityPlan.com.

C. UHC SCO's List of Network Providers
