Get all your medical benefits in one simple plan

The Senior Care Options (SCO) plan from UnitedHealthcare is a Coordinated Care plan that combines your MassHealth Standard and Original Medicare benefits into one plan. It has a network of quality doctors, hospitals, pharmacies and other local providers, designed to help you get the care you need.

Here's how this HMO D-SNP plan works

Always use network providers. The plan does not cover medical care received from providers outside the network. (Except for emergency care, urgent care and renal dialysis services.)

Select a network primary care provider to oversee and help manage your care. It's required by the plan, but it's also very beneficial for your long term health and well-being.

No out-of-pocket costs for covered drugs or other approved health care benefits from network providers. If you get care from a provider out of the network, you may have to pay the full cost yourself.

No referral is needed to see a network specialist or other provider.

Emergency and urgently needed services are covered anywhere in the world.

This plan includes medically necessary dental coverage, like root canals, crowns and implants at no cost to you.

Get support from your personal care manager who can make appointments, arrange transportation services and help you get the most out of your plan.

Go to **UHCCommunityPlan.com** to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions. See your Evidence of Coverage for a list of all covered services.

Important information: 2023 Medicare star ratings

UnitedHealthcare - H2226

For 2023, UnitedHealthcare - H2226 received the following Star Ratings from Medicare:

- Overall Star Rating: ★ ★ ★ ★ 4 stars
Health Services Rating: ★ ★ ★ ★ 4 stars
Drug Services Rating: ★ ★ ★ ★ ½ 4.5 stars

Every year, Medicare evaluates plans based on a 5-star rating system.

Why Star Ratings are Important

Medicare rates plans on their health and drug services. This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

More stars mean a better plan – for example, members may get better care and better, faster customer service.

The number of stars shows how well a plan performs.

- ★ ★ ★ ★ ★ EXCELLENT
- ★ ★ ★ ★ ABOVE AVERAGE
- ★ ★ ★ AVERAGE
- ★ ★ BELOW AVERAGE

Medicare Advantage plans (Part C) and cost Plans

Medicare Health Maintenance Organization (HMO) plan — A Medicare Advantage plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan's network (except in emergencies).

Medicare HMO point-of-service (HMO-POS) plan — A Medicare Advantage plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. HMO-POS plans may allow you to get some services out of network for a higher copayment or coinsurance.

Medicare preferred provider organization (PPO) plan — A Medicare Advantage plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. PPOs have network doctors, providers and hospitals but you can also use out-of-network providers, usually at a higher cost.

Medicare private fee-for-service (PFFS) plan — A Medicare Advantage plan in which you may go to any Medicare-approved doctor, hospital and provider that accepts the plan's payment, terms and conditions and agrees to treat you — not all providers will. If you join a PFFS plan that has a network, you can see any of the network providers who have agreed to always treat plan members. You will usually pay more to see out-of-network providers.

Medicare Special Needs Plan (SNP) — A Medicare Advantage plan that has a benefit package designed for people with special health care needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes, and people who have certain chronic medical conditions.

Medicare Medical Savings Account (MSA) plan — MSA plans combine a high deductible health plan with a bank account. The plan deposits money from Medicare into the account. You can use it to pay your medical expenses until your deductible is met.

Medicare cost plan — In a Medicare cost plan, you can go to providers both in and out-of-network. If you get services outside of the plan's network, your Medicare-covered services will be paid for under Original Medicare but you will be responsible for Medicare coinsurance and deductibles.

Stand-alone Medicare prescription drug (Part D) plans

Medicare prescription drug plan (PDP) — A stand-alone drug plan that adds prescription drug coverage to Original Medicare, some Medicare cost plans, some Medicare PFFS plans and Medicare MSA plans.

Other related products

Medicare Supplement (Medigap) products — Insurance plans that help pay some of the out-of-pocket costs not paid by Original Medicare Part A and Part B, such as deductibles and coinsurance amounts for Medicare approved services.

Dental/vision/hearing products — Plans offering additional benefits for consumers who are looking to cover needs for dental, vision, or hearing. These plans are not affiliated or connected to Medicare.

Hospital indemnity products — Plans offering additional benefits; payable to consumers based upon their medical utilization; sometimes used to defray copays/coinsurance. These plans are not affiliated or connected to Medicare.

UnitedHealthcare SCO is a Coordinated Care plan with a Medicare contract and a contract with the Commonwealth of Massachusetts Medicaid program. Enrollment in the plan depends on the plan's contract renewal with Medicare. This plan is a voluntary program that is available to anyone 65 and older who qualifies for MassHealth Standard and Original Medicare and does not have any other comprehensive health insurance, except Medicare. If you have MassHealth Standard, but you do not qualify for Original Medicare, you may still be eligible to enroll in our MassHealth Senior Care Option plan and receive all of your MassHealth benefits through our SCO program.

By completing this form, I agree to the following:

- This senior care organization, UnitedHealthcare® SCO, is a Medicare Advantage plan and has a contract with the federal government. UnitedHealthcare® SCO also has a contract with the Commonwealth of Massachusetts/MassHealth. This is not a Medicare Supplement plan. I will need to keep my MassHealth Standard plan. I must keep both Hospital (Part A) and Medical (Part B) to stay in UnitedHealthcare. I must keep paying my Part B premium if I have one, unless Medicaid or someone else pays for it.
- Because I have MassHealth, I may leave UnitedHealthcare® SCO if I have a qualifying election period. I will no longer be covered by UnitedHealthcare® SCO on the first day of the month following the month I request to leave UnitedHealthcare® SCO. UnitedHealthcare® SCO serves a specific service area. If I move out of the area that UnitedHealthcare® SCO serves, I need to notify the plan so that I can disenroll and find a new plan in my new area. Once I am a member of UnitedHealthcare® SCO, I have the right to appeal plan decisions about payment or services if I disagree with them.
- I understand that people with Medicare are generally not covered under Medicare while out of the country, except for limited coverage near the U.S. border. This plan covers emergency and urgent care outside of the U.S. See the Summary of Benefits for more information.
- I understand that when my UnitedHealthcare coverage begins, I must get all of my medical and prescription drug benefits from UnitedHealthcare. Benefits and services authorized by UnitedHealthcare and contained in my UnitedHealthcare “Evidence of Coverage” document (also known as a member contract or subscriber agreement) will be covered. Neither Medicare nor UnitedHealthcare will pay for benefits or services that are not covered.
- I understand that I can be enrolled in only one Medicare Advantage (MA) plan at a time – and that enrollment in this plan will automatically end my enrollment in another MA plan (exceptions apply for MA Private-Fee-For-Service (PFFS), MA Medicare Medical Savings Account (MSA) plans).
- Release of information:** By joining this Medicare Advantage Plan, I acknowledge that the plan will share my information with Medicare, who may use it to track my enrollment, to make payments, and for other purposes allowed by Federal law that authorize the collection of this information (see Privacy Act Statement below).
- I give UnitedHealthcare permission to share my protected health information with organizations or person(s) for permissible purposes under applicable law as required to administer my health plan.
- I give consent for all entities under UnitedHealthcare and its affiliates and any outside vendor used by UnitedHealthcare to call the phone number(s) I have provided using an autodialer and/or prerecorded voice.
- The information on this form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form I will be disenrolled from the plan.

- Joining this plan could affect my employer or union health benefits. If I have health coverage from an employer or union, joining this plan may change how my current coverage works. Me or my dependents could lose our other health or drug coverage completely and not get it back if I join this plan. I will talk to my employer or union. I will ask how joining this plan could affect my current plan. I may also want to check my employer or union’s website, or read any information sent to me. If there is no information on whom to contact, my benefits administrator or the office that answers questions about my coverage can help.
- Estate Recovery Awareness:** MassHealth is required by federal law to recover money from the estates of certain MassHealth members who are age 55 years or older, and who are any age and are receiving long-term care in a nursing home or other medical institution. For more information about MassHealth estate recovery, please visit www.mass.gov/estater recovery

Enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service Representative at the number listed on the back cover of this book.

Understanding the benefits

- ✓ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit our plan website or call to view a copy of the EOC. Our phone number and website are listed on the back cover of this book.
- ✓ Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ✓ Review the Pharmacy Directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ✓ Review the Formulary to make sure your drugs are covered.

Understanding important rules

- ✓ Benefits, premiums and/or copays/coinsurance may change on January 1 of each year.
- ✓ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ✓ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ✓ This plan is a Dual Eligible Special Needs Plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid. To qualify, you must be 65 or older, be eligible to receive Medicare Part A, and be enrolled in Medicare Part B and MassHealth Standard. You may also need to live in your own home or a nursing facility. If you have MassHealth Standard, but you do not qualify for Medicare Part A and/or Medicare Part B, you may still be eligible to enroll.

2024 Enrollment receipt
