La capacitación en competencia cultural es formación adicional para nuestros proveedores de cuidado de la salud que les ayuda a comprender mejor los orígenes, principios y creencias de los pacientes para adaptar los servicios a sus necesidades sociales, culturales y de idioma.

Los proveedores están en orden alfabético. Usted también puede encontrar el nombre del proveedor y la página donde está la información de contacto adicional del proveedor en el Índice al final del Directorio. Los proveedores o profesionales médicos individuales aparecen en orden alfabético por apellido en el Índice. Además de la información de contacto, las listas de proveedores también incluyen especialidades y habilidades, por ejemplo, los idiomas que hablan (incluido el Lenguaje de Señas Americano [American Sign Language, ASL]) o la capacitación en competencia cultural.

Los proveedores de la red en su área se indican en la sección C. Para buscar un proveedor en este directorio, consulte el Índice para saber dónde empieza cada sección. Consulte la sección del tipo de proveedor que está buscando. Una vez que esté en esa sección, busque el condado donde usted vive.
