D2. Changes to prescription drug coverage

Changes to our Drug List

An updated **List of Covered Drugs** is located on our website at **MyUHC.com/CommunityPlan**. You may also call Customer Service at the numbers at the bottom of the page for updated drug information or to ask us to mail you a **List of Covered Drugs**.

We made changes to our **Drug List**, which could include removing or adding drugs, changing drugs we cover and changes to the restrictions that apply to our coverage for certain drugs.

Review the **Drug List** to **make sure your drugs will be covered next year** and to find out if there are any restrictions.

Most of the changes in the **Drug List** are new for the beginning of each year. However, we might make other changes are allowed by Medicare and/or the state that will affect you during the plan year. We update our online **Drug List** at least monthly to provide the most up to date list of drugs. If we make a change that will affect a drug you are taking, we will send you a notice about the change.

If you are affected by a change in drug coverage, we encourage you to:

If you have questions, please call UHC Dual Complete TN-Y001 (HMO-POS D-SNP) at Toll-free **1-800-690-1606**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. **For more information**, visit **MyUHC.com/CommunityPlan**.

- Work with your doctor (or other prescriber) to find a different drug that we cover.
 - You can call Customer Service at the numbers at the bottom of the page or contact your care coordinator to ask for a **List of Covered Drugs** that treat the same condition.
 - This list can help your provider find a covered drug that might work for you.
- Ask us to cover a temporary supply of the drug.
 - In some situations, we cover a **temporary** supply of the drug during the first 90 days of the calendar year.
 - This temporary supply is for up to 30 days. (To learn more about when you can get a temporary supply and how to ask for one, refer to **Chapter 5** of your **Evidence of Coverage**.)
 - When you get a temporary supply of a drug, talk with your doctor about what to do when your temporary supply runs out. You can either switch to a different drug our plan covers or ask us to make an exception for you and cover your current drug.

Starting in 2025, we may immediately remove brand name drugs or original biological products on our **Drug List** if, we replace them with new generics or certain biosimilars versions of the brand name drug or original biological product on the same or lower cost-sharing tier and with the same or fewer rules. Also, when adding a new version, we may decide to keep the brand name drug or original biological product on our **Drug List**, but immediately add new rules.

This means, for instance, if you are taking a brand name drug or biological product that is being replaced by a generic or biosimilar version, you may not get notice of the change 30 days before we make it or get a month's supply of your brand name drug or biological product at a network pharmacy. If you are taking the brand name drug or biological product at the time we make the change, you will still get information on the specific change we made, but it may arrive after we make the change.

Some of these drug types may be new to you. For definitions of drug types, please see **Chapter 12** of your **Evidence of Coverage**. The Food and Drug Administration (FDA) also provides consumer information on drugs. Refer to the FDA website: [fda.gov/drugs/biosimilars/multimedia-education-materials-biosimilars#For%20Patients](https://www.fda.gov/drugs/biosimilars/multimedia-education-materials-biosimilars#For%20Patients). You may also contact Customer Service at the number at the bottom of the page or ask your health care provider, prescriber, or pharmacist for more information.

Changes to prescription drug costs

The plan will stop using the CMS Value-Based Insurance Design (VBID) for Medicare Part D prescription drugs in 2025. Depending on your TennCare eligibility, you may have to pay a cost share for covered Part D drugs. Since you have full TennCare benefits, your cost share will most likely be a \$0 copayment.

If you have questions, please call UHC Dual Complete TN-Y001 (HMO-POS D-SNP) at Toll-free **1-800-690-1606**, TTY **711**, 8 a.m.–8 p.m.: 7 Days Oct–Mar; M–F Apr–Sept. The call is free. **For more information**, visit MyUHC.com/CommunityPlan.
